Retirees that are in the Health Span HMO that are eligible for Medicare will continue to be covered under the plan until January of 2017.

During the annual enrollment you will have the option to choose the either the HMO or PPO Plan design. The choice that you make will be effective as of January 1, 2017.

If you are Pre Medicare you will either stay with Medical Mutual or contact Alcoa by August 12th to enroll into the PPO Highmark Blue Cross Plan design.
